

3-YEAR-OLD NEWSLETTER APRIL 2024

Parents,

This month we will be learning about the letters U, V, W and X. We have almost finished the alphabet and are so excited!

April is also the month that Week of the Young child takes place, April 8-12. This is a week that celebrates young children, their learning, their families, and their communities. Each day of that week we will celebrate something different: Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. We always have lots of fun during this week!

As we head into the warmer weather please check your child's cubby and make sure your child has extra clothes for this. It is still important for them to still have a jacket as some mornings are still chilly.

We will also spend a week celebrating the Earth for Earth Day!

The date for Spring pictures is Thurs. April 18th.

Reminders:

- Breakfast ends at 8:15, we will save food if you are running late
- Wipes and tissues are always appreciated for the classroom if you are able to donate
- We are also running low on extra underwear and pants for boys in our class. If you are able to donate used items we would appreciate it!

Thank you for all you do! Have a happy Easter!
