

THREE'S NEWSLETTER

AUGUST 2023

PARENTS:

As we move into August we will begin learning the alphabet. Each month we will learn about some new letters! On the Friday's of those weeks we do letter bag day. Please help your child find a couple small items that begin with the letter of the week. These can be brought to school in a Ziploc or small bag. The children really enjoy showing off their items to their friends! On Fridays without a letter they may bring a small toy for show and tell.

We have ended our water-play for the summer and we had SO MUCH FUN!! You may take home their water-play items if you haven't already.

We are starting our month by talking about ourselves and our families. Please bring in a family photo for your child to share with the class by Friday August 18th. We will create a family wall so the children always have a connection to home while at school. If you do not have any pictures printed you can text one to Mrs. Bria and I will print it for you!
