

Three Year Old Newsletter

December 2017

Dear Parents,

This month our class will be doing several activities related to the holiday season. These activities will include making holiday decorations and different crafts that will be used for the tree in our classroom. Our shape is triangle and the colors are green and gold. Our children love the letter bag on Friday's, but not everyone participates. This IS the time to bring toys from home.

The children are still collecting macaroni and cheese/socks for the local pantry.

This month we will start new letter bags. We will learn a new letter each week and on Friday's you'll bring in a paper or Ziploc bag with items that start with that letter. This month we are doing Q and M. Keep your calendar handy so you can review the coming week.

We are asking you to check your cubbies every day, even if you pick up your children in the fours. We have grams from the day's events and you can see if you need to replenish your child's clothing supply.

Make sure your child has a couple sets of clothing in their cubby for messes and accidents. Please label the items with your child's initials.

Make sure Teresa has an updated shot record on file, the annual report is due at the end of December. Your child will not be permitted to attend class if she does not have current updated records.

The children's Christmas party has a book exchange of \$5.00. The children all bring in a wrapped book and receive one on the day of the party. December 22nd at 2:00

We welcome Elijah to our class!

Reminders:

- We are closed Monday, December 25th and Tuesday, December 26th, for Christmas.
- A.M. snack money of \$2.50 is due the first week of the month
- Tissues and flushable wipes are needed

Thank you,

Ms. Sue Mrs. Kathy Ms. Carli
