

**4'S AND 5'S NEWSLETTER**  
**April 2023**

Dear parents/Guardians,

Spring is now here which means we will be spending as much time outside as we can, **so please make sure your child is bringing a jacket or wearing weather appropriate clothing for the day.**

This month means we are getting closer to our preschool graduation and celebrating our future Kindergartners! With I will be posting more about the graduation in our next newsletter. We will be continuing our numbers 1-20 and the last couple letters of the alphabet W,X, and Y. We will focus on these letters and do activities corresponding to them. We will be continuing our name writing, patterns, sequencing, cutting, and rhyming words. We will be learning about Earth Day this month and do a week learning about Earth. We will do some activities with that as well and continue letter Z in May!

The beginning of this month is the Week of the Young Child, 6th-12th. We will have the days posted on the door and calendar, there will also be a separate paper sent home about Week of the Young Child and what activities we will be doing for each day of that week.
