

FOUR-YEAR OLD NEWSLETTER JANUARY 2021

Dear Parents/Guardians,

Welcome back and Happy New Year! We hope everyone had a fun and safe break and are ready to start a great new year.

This month we will continue learning our alphabet with the letters P, Q, R.

We will also focus on how to spell our names and practice writing them as well.

We are going to be playing games to practice our large motor skills and teach about our bodies move when doing daily activities.

Reminders:

- Please remember to send in snack money every month
- Call or text by 9 to let us know if your child is going to be late or absent
- Make sure your child has a warm coat, hat and gloves for those colder days
- Make sure we have up-to-date shot records for your child

Thank you,

Ms. Rosa

Ms. Kenzie
