

4's and 5's Newsletter September 2022

Dear parents,

As summer is slowly ending, we will be moving into the Fall. Please make sure your child is bringing a light jacket for the cooler weather coming.

This month we will continue learning our alphabet and focusing on letters D,E and F. We are going to do activities corresponding with these letters and some Fall activities throughout this month. We will focus on counting and identifying our numbers 1-25, our colors, and shapes. I would like to practice trying to write and spell our names this month as this is important when your child starts kindergarten.

This new school year has brought us some new students into the classroom. We are still doing our family tree and would love to have your child bring in a family picture to put on the tree. This family tree is for the kids to take turns sharing their families and for the new students, this would help to feel that a part of home is with them.

If you have any questions or concerns, please feel free to contact Ms. Kenzie or Ms. Beverly
