

## **4'S AND 5'S NEWSLETTER FEBRUARY 2023**

Please make sure your child has weather appropriate clothing such as a coat, hat, and gloves, for those days we go outside, even if it's for a few minutes, to let them get some energy out!

This month is going to be an exciting and fun filled month! This is one of my favorite months of the year because it's a special month filled with love. We enjoy doing valentine crafts and artwork all month and fun games. This month we will still be continuing our alphabet and focus on letters T,U, and V and do activities corresponding with those letters. We will continue our name writing, tracing, patterns, cutting, sequencing, and so on!

This month is also our Valentines Party, we will be having the party on Tuesday, February 14th. I will have more information about the party closer to the date. We will also be doing Valentine's Day boxes! This is the fun part; your child will need a Valentine day box for our party so parents will be helping their child with an idea for a valentine box! You may start them anytime of the month before the day of the party and bring them in early if you'd like. We cannot wait to see them!

If you have any questions or concerns, please feel free to contact Ms Kenzie and Ms Beverly.
