

## 4 AND 5'S NEWSLETTER

### May 2022

Dear Parents/Guardians,

As we enter the month of May with joy and excitement, we have many important dates. This month we will have our five-year-old graduation as they get ready to start kindergarten. We are very proud of them all! More information regarding graduation will be sent home. During the month of May, we will get to do fun outdoor activities to have bonding time with all the students. We will do crafts like making kites and our very own honey combs. We will be making sure to review our A,B,C's on every Monday during learning time. As the weather becomes warmer and more permanent, please make sure to send kids with appropriate clothes for the weather along with sunscreen. We will also be having a special event for Mother's Day this month.
