EAT SMART

We want to remind everyone that we are an Advanced Eat Smart Center. The program is designed to get children eating healthy and exercising more to prevent obesity. Along with food guidelines our families aren't allowed to bring food or drinks into the facility of any kind. We are trying to promote healthy, lifelong habits in the children by teaching them young how to eat better. We ask that every family give your child's teacher \$2 for their morning snack at the beginning of every month. The teachers can then purchase snacks for the children that meet the guidelines of the program. Thank you for your cooperation we are very proud of this accomplishment!.

AALC CLOSED FOR LABOR DAY

We will be closed on Monday, September 1, 2014 in observance of Labor Day! Please make arrangements for childcare that day. Enjoy the holiday with your family!

WELCOME ALL OUR NEW FAMILIES

We have several new families enrolling this month. We are filling up again as we do every year at this time. Please welcome all the new faces you see in your child's classroom!

ROUTE 66 MURAL CITY 5K AND FUN RUN

As most of you already know we are a non-profit organization. That being said, we have one large fundraiser every year. The Route 66 Mural City 5 K and Fun Run is Saturday, October 18, 2014. It is held at the Cuba Fest every year.

We also have a bounce house that Saturday and Sunday on the lawn of the Recklein Library. We do this as a meet and greet for our parents, as well as an additional fundraiser. It's a wonderful time to come out and meet some of the other parents and to get to know the teachers a little better too. It's a fun time and the kids love it. Please join us. Details of the events will be coming soon.
