## All Aboard Learning Center Fall News

### FUN RUN

As many of you know, we do a 5K and Fun Run in October during Cuba Fest every year. Due to other events and activities on the 3<sup>rd</sup> weekend of October, participation has declined significantly in recent years. We changed the event this year to a Youth 5K, and focused our energy on reaching the largest number of children to participate in the run. With permission from the school, we held the Fun Run at the elementary school for the K-4<sup>th</sup> grade students on Friday, October 20<sup>th</sup>. 532 students competed and completed the Youth mile. Yes, they all completed

the run! In all the years we have been doing the run, we have never had that large a group of runners and we are thrilled with how it went and will definitely be doing it again!

The laundry detergent sales went well again this year. We raised \$1300, and would like to thank all the parents who sold buckets for us. Jason Thomas sold the most again this year, thank you so much! We ordered extra buckets in case anyone wants some just let us know. It's a good product and a good price so it's a win, win for all!

We have Tide, Tide Clean Breeze, and Tide Pods

## New Staff

We will have some changes to staffing coming soon and will keep you informed of those changes as they happen. We are in the process of hiring 2 new people ASAP.

Childhood Education classes. This makes the hiring process harder. We think hiring educated teachers brings in higher quality staff and this is best for the children.

Please bear with us as we transition to new staff. Remember we only hire those with the required Early
