

INFANT NEWSLETTER
JANUARY 2021

Happy New Year and welcome back! We hope everyone had a very Merry Christmas and spent needed time with friends and family. 2021 is now here and we can only hope to make this a positive and productive year. We will continue working through milestones while giving your children a happy and safe environment. With that being said, we would like to kindly ask all parents and staff members to wear masks for at least the next two weeks. The holidays are such a busy time of year and we would like everyone to remain healthy. Thank you in advance.

There are several announcements I have for you. We would like to say goodbye to our dearest Ms. Autumn, who will no longer be working at All Aboard. She is taking a big career step and will be moving on to student teaching this upcoming spring. We will miss her so much but are very happy for her and proud as she gets closer to reaching her goals.

As we say goodbye to Ms. Autumn, we would like to welcome our newest assistant teacher, Ms. Lauren. Lauren is currently going to school for early childhood education and plans on getting her teaching degree. We would also like to welcome our new closing teacher, Ms. Gabriel. Gabriel is also attending school for early childhood education. We are so excited to get to know and work with them!

Just a friendly reminder to please check your child's daily gram every day for important information and needed supplies (diapers, wipes, formula, etc.).

Our classroom is currently running low on tissues. With the cold weather and allergy season, they are needed now more than ever, and donations are greatly appreciated.

If you have any questions, please reach out to Ms. Erica at 636-744-4955 or Mrs. Teresa at 573-205-2089. Thank you!

Ms. Erica
