

INFANT NEWSLETTER

FEBRUARY 2014

Dear Parents,

Here we are into the second month of the New Year already. The time flies by so fast. We hope everyone is surviving this cold and snowy winter. Spring will be here before we know it and hopefully we have a really good one.

We want to welcome a new baby to our room, her name is Mia. We are so happy to have her join our class. Another baby girl will be starting sometime this month, I am not sure of the day. Her sister is Ellie in the toddler room.

Please read your infant grams. They inform you of the things your child needs.

We are asking for each parent to bring in a box of tissue. We are always in need due to all the runny noses.

Remember to let us know by 9 am if your child is going to be late or not here. This is very important for scheduling purposes. Breakfast is over at 8:15, for the ones that eat breakfast.

Familiarize yourself with the sick policy. Remember the rules are in place for the health of your child and the health of everyone else.

Thank you for trusting your most precious children to our care.
