

INFANT ROOM NEWSLETTER
AUGUST 2020

Dear Parents,

Here it is August already and time for school to start. We hope you all are ready for it. To the parents that have school age children as well as an infant I would like to ask a favor of you, would you please wear a mask when you drop your infant off. As I have told you, I am at a high risk for Covid 19 and with school starting I am sure there will be some outbreaks of it. I just want to be very cautious and I hope you all understand this.

We hope you all have had a chance to meet Ms. Autumn, she is the new closer for our room. She has worked in an infant room before and we believe she will be a great addition to our room. We are also getting a new infant Karter Jo, we are so happy she is joining our little group. We are excited to be getting more infants.

We do have some reminders for you:

1. Please check your child in and out every day.
2. Please call or text if your child is going to be late or not here. This is so important for scheduling purposes.
3. Please be sure to read your infant grams every day. These keep you informed on any items your child needs and if there is anything we think you should know about their day.
4. Please check your child's clothes to be sure they have enough here, that the clothes still fit, and that they are weather appropriate.
5. Please bring in updated shot records when your child is immunized. Teresa has to have these on record in order for your child to stay enrolled here.
6. PLEASE FOLLOW THE SICK POLICY!
7. We are in need of tissues. Your donations are greatly appreciated.

If you have any questions please call Ms. Teresa or Ms. Debbie at 573-677-2252. You can call or text Ms. Debbie's number 573-259-7073. We want to thank you for entrusting the care of your precious infants to us.

Ms. Debbie
Ms. Erica
Ms. Autumn
