

SCHOOL AGE NEWS LETTER
JANUARY 2019

Wow! Already 2019 where has the time gone? We hope that everyone had safe and wonderful holidays! The children loved the activities during Christmas break and stayed busy.

It is getting colder so please make sure your child(ren) have a coat, hat and gloves so that we may go outside, weather permitting.

Thank you to the ones that donated food Mac & Cheese for our drive. Mrs. Teresa dropped everything off at the food pantry; it was a great success.

Our class is in need of tissues and would greatly appreciate any donations.

If there is no school for any reason, the children may bring electronics and toys from home. Please remind your child(ren) that anything that is brought from home is their responsibility, we can take this privilege away at any time. We may also watch a movie on no school days for quiet time while the other children in the building are sleeping.

In the event of inclement weather, please tune in to Results Radio for updates on closings at All Aboard. We will always attempt to stay open, but not at the risk of safety.

Ms. Erica
Ms. Micki
