

SCHOOL AGE

FEBRUARY NEWSLETTER 2019

Wow, January has flown right by. We are coming into February with the cold weather still. We ask that you please make sure that your child is appropriately dressed. We will be going outside with every opportunity we get. There have been a few changes to the public school schedule. Instead of getting out early February 7th the kids will be in school all day and parent teacher conferences will be later in the evening. February 8th is an early out school will dismiss at 12:30pm.

February is Black History Month and we will be doing some activities to show the children how important it is. We will talk about different people in history and how they have helped to shape the country we live in today. If you do not want your child to participate we understand. Please just let us know. If there is someone in particular in history you would like us to talk about please let us know. We will try to talk about some of the not so famous people that have helped pave our future.

We are going to do a small Valentines party with the kids. If everyone could please send in \$2 to help with a special snack for the kids we would appreciate it. We will attach a list of the students in our class. We will have little treat bags for the children if you would like to donate any candy or anything to go in the bags we would appreciate it.

Lastly we ask the children do not bring in their electronics or toys from home unless it is an early out or no school day. We try to tell the children that if they do bring in their own toys that they are their responsibility. We also ask that you help us try to teach the children to respect other people's property. We have so many toys and items in our classroom that have been thrown away because the children break them.

If your child is not going to be on the bus or here please let us know.
