

## **SCHOOL AGE NEWSLETTER JULY 2021**

We have made it through summer school and now are ready to have fun. Please send in \$3 to cover morning snack while the kids are here. We will be going to the pool, having water play, walking to the park, and enjoying ice cream. We are trying to work out what days we will be going to the pool. We will be having water play on Wednesdays and Fridays. We will do water play after lunch when the little kids are napping. Please make sure your child has a towel, clothes, and shoes for water play. If they do not have stuff for water play they will not participate. We do not have extra clothes and towels.

The ice cream truck will be here every Tuesday around 2:30. Everything is less than \$5 for the kids. If you want to pay for the month we will put it up and give them money each week. If there is something in particular you do not want your child to have, or they cannot have, let us know and we will help make sure they do not get that item.

Our walks to the park will be on random days depending on the weather. We will do this during nap time in the building to get the kids out and give them the ability to run and play freely. Please make sure your child has tennis shoes. They can either leave them here with their name in them or they can leave sandals here in case we do not walk.

With this being summer the kids are allowed to bring their electronics. They will get them at nap time when we are here and will have to follow the rules with them. We have the rules posted in the classroom for the children to see. All of these items are privilege and can be taken away at any time if necessary.

If your child is not going to be here please let us know before 9 am so we know how many for lunch.
