

## SCHOOL AGE NEWSLETTER

### SEPTEMBER 2022

We made it through our first week of school! With the kids being back in session we will be doing homework to help them get it done. When they get off the bus we will have snack and when snack is over Ms. Erica will help anyone that has homework while the other kids play in centers. When we are done with homework we will go outside as long as the weather permits. Ms. Erica is taking classes herself and has to leave early on Wednesdays so we may not be able to get homework done on those days. Please check with your child if it got done.

**There is no school and AALC is closed on Monday September 5, 2022 in observance of Labor Day. We hope you all have a safe and happy Labor Day.**

Early release Wednesdays will begin September 7, 2022. This means the bus will be here around 2:45 pm.

If your child will not be on the bus please let Ms. Erica or Ms. Teresa know. This will prevent us from calling the school trying to find the child that is not on the bus. Ms. Erica's phone number is 573-259-1535, you can call, text, or Facebook message her if you need to.
