

SCHOOL AGE NEWSLETTER

Have a Happy and Safe 4th of July! **AALC WILL BE CLOSED TUESDAY JULY 4TH**. We will be open Monday July 3rd.

We will start going to the pool this month! The dates we will go are July 6, 18, 20, 25, & 27. It will be \$3 to get in, if you have a pool pass let me know and it will not cost you anything for them to get in. We will not be doing any concessions while we are there. We will eat lunch before we go, there is a water fountain there, and we will eat snack and watch a movie when we return to AALC. We will go from 12-2 pm on these days. The days during the fair we will do water play at the center instead of going to the pool. We have plenty of sunscreen that has been donated to us so we do not need any unless there is a certain brand you want us to use on your child. We will be playing outside as much as possible. Please make sure your kids are dressed for the weather and if they need have some extra clothes.

Since we are here all day now, we ask that each child donate \$3 toward morning snack. This is a one-time donation not every week. We will be working on some fun activities and projects this month. If you would like to donate any craft items or money toward craft items it would be appreciated, if you can't we understand. Do not feel like you have to do this.

DATES TO REMEMBER

July 4th	AALC Closed
July 6, 18, 20, 25, & 27	Pool Days
July 11 & 13	Water Play
July 11th – 15th	Crawford County Fair
