

**SCHOOL AGE NEWSLETTER
MARCH 2021**

We have made it to March that means only 3 months left of school! I want to remind you that breakfast is served from 6:50 to 7:10 every morning. Depending on what is for breakfast if your child is past this time, we will feed them something if they are hungry. The bus gets here about 7:15 every morning. Please make sure that your child is here before that we can not stall the bus driver any longer than it takes for the kids to load. After school the bus gets here about 3:10 every day. Wednesdays it is about 2:45 pm. If your child will not be on the bus, please let us know. This prevents us from panicking and calling the school every time a kid is not on the bus.

The weather is starting to warm up! We will be going outside as much as possible after snack and homework. Please make sure they are dressed appropriately and have a jacket in case it is windy or a little chilly out. If you would like to leave a jacket here for them, you may, just make sure their names are on it somewhere.

With Saint Patrick's Day around the corner please make sure your child knows that we can not pinch someone for not wearing green. This is considered bullying and will not be tolerated.

Please let us know if your child will be here during Spring break this month so we can plan accordingly. If your child will be here please, send in \$2 to cover morning snack for that week. We will work on different crafts and activities about Spring and Easter.
