

SCHOOL AGE NEWSLETTER
FEBRUARY 2025

We will not have a Valentine's party. The kids will be having their parties at school so we will not have one. If they would like to bring in Valentines to hand out to their friends here, they will be allowed to hand them out during snack time. I will have a list of all our friends to hand out if they want.

We will be open on President's Day.

We ask that you please donate \$1 for our morning snack. This is for Mondays and any other day they are out of school.

If you know anyone with a child going into kindergarten next year there is an EXPO on the 13th from 5-7 at the school.

Days to Remember:
