

# Toddler Newsletter

## January 2021

Dear Parents,

Happy New Year! I think everyone is ready for 2021 and hopefully some better news than 2020 delivered us. This past year has been full of challenges, and I hope it's not just me that feels disconnected from our toddler families. Please remember that if you ever have concerns, questions or just need a picture of your little one to get thru the day; you can always call or text any of the teachers at any time. We have all struggled trying to navigate the ever changing guidelines and I will honestly say that the kids have helped me get thru this year more than ever before. Their excitement for the changing seasons and learning new skills have kept me going and excited for each new day. Thank you for sharing your children with the staff at All Aboard. This month we are hoping it snows just a little bit so we can learn more about winter and explore playing with snow in our sensory table. Please make sure your child has a coat, hat, & gloves/mittens here at all times because we like to get a breath of fresh air for at least 10-15 min, only IF it is not too cold/windy out. We will also bring snow inside to explore in our "sensory play table" on days that we have snow outside and can't go out.

Happy Birthday wishes to **Clara Whitman** and **Kennedy Black**, as they will be turning 2 this month!!

If you haven't already done so this year, we would greatly appreciate if everyone could bring in a box of tissues pretty please, especially with the cold/sick season upon us. Our next party will be our Valentines party, with more details to come in next month's newsletter. On that note, I would like to thank each and every one of you parents for all that you did to help make our Christmas party such a success. The kids really enjoyed it and we couldn't have done it without you! We hope everyone had a safe and happy holiday season with their families.
